### Why we need your support:

An affordable home means a family can cover housing costs and still have ample budget for life's other necessities: food, health care, transportation, and education. As rents and mortgages in the U.S. grow faster than wages, the number of families becoming cost-burdened by their housing — meaning they spend more than that 30% — is growing.

**That's why Habitat builds, helps revitalize communities, and advocates. We help families secure a foundation from which to grow and thrive. And we help reinforce the economic and social fabric that binds us all. By sponsoring our Beer Festival, you are making a difference in the lives and future of families and communities for years to come.**

Since 1989, Habitat donors and volunteers have provided affordable housing opportunities for over 185 hardworking families in Chester County. Your sponsorship will support our plans to build, renovate, and repair an additional 30 homes over the next year.

**Your support helps purchase materials and keep building as well as preserving affordable housing in Chester County!**
